2022 BUDGET MESSAGE

October 26, 2021

Dear Davis County Board of Commissioners,

Pursuant to Utah Code Annotated 17-36-10, I am pleased to present the 2022 tentative budget. This budget was developed based on direction provided by the Davis County Budget Committee and in conjunction with feedback received from elected officials, department heads, and staff who have provided valuable insight into the ongoing and future needs of the County.

Utah State Law requires that a tentative budget be prepared by the County Auditor and filed with the Legislative Body of the County by November 1, 2021, with adoption of a final budget no later than December 31, 2021. The Legislative Body may make modifications to the tentative budget and must make the final budget available for inspection and comment before adoption by resolution. A hearing for this purpose has been scheduled for Tuesday, December 7, 2021, at 6:00 pm. The adopted budget serves as a policy document, financial plan, communication device, and an operations guide reflecting the goals, programs, and service priorities of the Davis County Board of Commissioners.

2021 OUTLOOK AND RECOMMENDATIONS

In preparing the budget for 2022, economically dependent revenues were estimated conservatively so as not to overcommit them to ongoing operating expenditures should the economy experience a downturn. With the economic uncertainty brought on by the ensuing COVID19 pandemic, Davis County anticipates a continued and sustained period of economic transition, heightened by inflation and wage pressures.

During any period of economic transition, it is difficult to know the exact timing of how and when the economy will begin to shift directions. The County has made a concerted effort to present a budget that accommodates necessary wage growth while maintaining existing services levels. Efforts to align expenditure requests with revenues include:

- Delay of the advance replacement of non-critical computers, technology, and equipment
- Operating reductions to limit expenditure growth to 3-5% (net of computers and other one-time costs)

- Limited approvals of requests for new positions
- Limited use of fund balance for operating deficiencies

As appropriate, the 2022 budget utilizes fund balance reserves for one-time expenditures such as reducing debt and funding capital projects either in whole or through debt service payments. Less frequently, fund balances are used to offset minor operating deficits. Detailed information by fund is outlined in the "Summary by Fund" section of this document.

BUDGET SUMMARY

The attached **2022 Tentative budget represents \$246,789,388 in total expenditures**, with related revenue sources total **\$236,691,204**. The net difference is a deficiency of \$10,098,184 in revenues compared to expenditures, with the majority of planned fund balance spending occurring in the Capital Reserve Fund (\$4,579,304) and the Capital Tourism Fund (\$4,480,000).

Personnel: Davis County has taken significant action over the last six years to ensure employee compensation and benefits align with market realities. During that time, each of 86 benchmarked positions were reviewed each year to evaluate the current market and whether or not positions were staying within 95% of the market.

As with all public and private sector operations, current labor market conditions have presented new challenges in the recruitment of new employees, the retention of existing employees, increased wage pressure and wage compression within the organization. These challenges have been driven by:

- A tight labor market as highlighted by an unemployment rate in Davis County of 2.3% in August, 2021. This rate is well in excess of what is typically considered full employment (4.5% to 5%).
- Several vacancies in core government services job classes within Davis County. In some instances, vacancy rates exceed 30%.
- Current and future inflationary pressures highlighted by year over year increases in the Consumer Price Index of 5% and the Total Manufacturing Producer Price Index of 14.2% (August, 2021).
- The Utah Labor Force Participation Rate has not fully recovered from the impact of the COVID-19 Pandemic and is .7% below that of January 2020.

- Housing price appreciation in Utah continues to outpace the national average (28.5% vs. 17.7%) as well as standard wage growth, making it difficult for those newly entering the labor force to secure affordable housing and limiting the ability of the County to recruit those individuals.

As a result of these challenges, it is recommended that Davis County implement the following cost of living adjustments (COLA) during pay period 22 of 2021, with continuation through the 2022 budget:

- All grade ranges increase by 12% in order to allow for appropriate wage growth throughout the entire pay scale of Davis County and to prevent employees from topping out in a grade prematurely.
- Employees in job grades ranging from 1 to 13 receive an increase in hourly wage of 12%
- Employees in job grades ranging from 14 to 19 receive an increase in hourly wage of 8%
- Employees in job grades ranging from 20 and above receive an increase in hourly wage of 6%

In some instances, job functions with career ladders that cross over the recommended percentage changes may be increased to the higher percent in order to prevent wage compression.

In addition, funding for a complete wage and benefit compensation study by an independent firm is funded in the 2022 budget in order to ensure the total compensation is in line with the prevailing market that Davis County competes with for labor force.

Operations: Overall operating expenditures are returning to pre-pandemic levels with just over \$87M budgeted county-wide compared to \$84M spent in 2019. This is in-line with the budgetary goal to limit operating growth to 2-3% per year so that it does not outpace revenue growth.

Some of the largest areas of increase are in contracted services and employee travel, which grew from \$7,043,513 to \$8,241,356 and from \$229,642 to \$764,664 respectively.

Capital: The County continues to strategically plan for the long term-capital needs of the community. A five-year capital plan by fund, indicating a timeline of spending and projected use of fund balance is included in this document as **Appendix A**. While the timing and final costs may fluctuate, the County is committed to ensuring that funding is allocated for anticipated needs well in advance of them coming due. In some instances, capital projects will be funded by new debt service, but only once a consistent funding stream for the annual debt has been identified and secured.

Consistent with this approach, the 2022 tentative budget addresses the following capital needs:

- **Software/Technology**
 - Dispatch Server and System upgrade - \$513,000 (partially funded by assistance from participating entities)
 - Server Storage upgrades - \$250,000 (third of three)
 - Copier Replacements – Clerk Auditor, Treasurer, Attorney’s Office, Corrections
- **Vehicles**
 - Total of **\$1,243,546** in annual vehicle purchases/replacements
 - 24 replacement vehicles
 - 1 Attorney’s office, Investigations
 - 8 Public Safety, Patrol

- 2 Animal Control, Officer vehicle and Dump Truck
- 4 Health, Environmental Health
- 3 Seniors, Meals on Wheels
- 1 Tourism, SUV
- 3 Public Works, Maintenance truck, Service Truck, and Dump Truck
- 2 Facilities, Maintenance Truck and Service Truck

- **Equipment**

- 2 Replacement K-9's – Sheriff
- CAT 306, Under Carriage Sprayer, Pressure Washer, Crack Sealer – Public Works
- Tire Wheel Balancer – Vehicle Maintenance
- Radios – Corrections, Dispatch, Sheriff, Animal Control
- Vests, Public Order Gear – Sheriff/Corrections
- Exercise Equipment - Sheriff
- Safety/Rescue Gear – Search and Rescue
- Blower, Seeder, Irrigation, Pump Station – Golf Courses
- Mini Excavator - Facilities

- **Buildings:** The construction schedule below identifies the many ongoing projects Davis County is undertaking to ensure the long-term sustainability of its facilities and infrastructure:

Project	2022 Project Budget	Funding Source

Tourism Office Remodel	\$130,000	Tourism Operating Revenues
Conference Center HVAC, Water Heaters	\$130,000	Tourism Operating Revenues
Re-Stone Admin Building	\$1,500,000	Capital Reserves – General Government and Library
Agricultural Heritage Center	\$5,000,000	Tourism Capital Reserves
Legacy Events Center Expansion	\$37,000,000	Debt Service
Valley View Golf Restroom Remodel	\$45,000	Golf Operating Revenues
Jail Visiting Remodel	\$510,000	Capital Reserves
Domestic Boiler Replacement (2)	\$144,000	General Fund Operating Revenues
Total 2022 New Construction	\$44,524,000	

Allocations: These charges are assessed annually as prescribed in the Davis County Allocation policy to equitably distribute the cost of providing internal services to the various departments. When excess fund balances build in the internal service funds, they are redistributed back to the funds or departments at the rate at which they were paid.

Transfers between funds are also recognized in this budget category and are utilized to ensure departments are appropriately funded for services, debt payments, and to build capital reserves where appropriate. The attached **Appendix B** provides a detailed listing of inter-fund transfers proposed in the 2022 tentative budget.

SUMMARY BY FUND

FUND 10 – GENERAL

General fund expenditures are budgeted to increase by 5%, from \$82,216,143 budgeted in 2021 to \$86,054,544 proposed in 2022. As might be expected from the personnel discussion above, the majority of this increase is related to wage and benefit growth, which accounts for \$3,855,574 in new on-going spending. With most departments focusing requests on retaining existing employees, the following new positions were requested, with three funded in the attached tentative budget:

- Information Systems
 - Database Admin – Held
 - Lead Application Support Specialist – funded for immediate hire in 2021
- Treasurer
 - Accountant II – Held
- Attorney
 - Investigator I - Held
 - Legal Technician – Held
- Assessor
 - Assessor Data Manager – Funded
 - Real Property Appraiser Trainee – Funded
- Surveyor
 - Operations Manager – Held
- Vehicles
 - Mechanic II - Held

Overall General Fund revenues are projected to grow modestly from \$78,213,000 in 2021 to \$80,773,844 in 2022, or by 3.3%. This accounts for the natural growth in property tax as new properties are constructed and added to the tax rolls (about 2-2.5% per year). Construction growth continues to be strong, with 1,791 building permits issued in 2020.

Sales tax, accounting for 23% of general fund revenues in 2020, continues to grow well beyond historical averages. Davis County saw average year-over-year sales tax growth of 6.81% from 2016 to 2020, boosted by 11% year-over-year growth from 2019-2020. Likely linked to various economic stimulus strategies presented in 2021, revenue growth continues to soar at 20% over 2020. Anticipating this is not a sustainable spending pattern, 2022 sales tax revenues have been budgeted for more conservative growth of 10%.

Last, public safety revenues, largely composed of contracts with outside entities for inmate holds, is projected to approach pre-pandemic levels of just over \$9.5M. This is an increase of 13% or \$1,066,247 over 2020 collections.

The County continues to cautiously monitor revenue trends and make appropriate budgetary recommendations as the true economic impact of COVID19 is realized.

FUND 14 - PARAMEDIC

The paramedic fund was established in 2018 to recognize the 1983 mil-levy associated with property tax collections. Of the total amount collected, 50% was distributed to Davis County for management of the paramedic program while the other 50% was equally distributed between Layton City and South Davis Metro Fire Special Service Area. In 2021, the County removed this levy and transferred the funding to Farmington City, Kaysville City, Fruit Heights City, South Weber City, Layton City, North Davis Fire District, and South Davis Metro Fire Special Services Area so that those entities could begin the process of establishing their own local paramedic programs. Davis County will continue to provide paramedic services through December 31, 2022, using capital reserves of \$1,560,000 as a funding source.

FUND 15 – HEALTH AND SENIOR SERVICES

Similar to the general fund, the health and senior services year-over-year budget comparison is impacted by the influx on one-time funding and expenditures in 2021 due to receipt of multiple grants for Coronavirus relief. In 2021, the health department reported dedicating 183 employees, many funded by outside contracts and grants, to Covid response. Based on existing agreements and contract, it is expected that this infusion of resources will continue through the end of 2022 and into 2023.

Comparatively, non-COVID funded full time employees are anticipated to grow by 2 in 2022, with the addition of an Office Manager and Accounting Manager at an estimated annual cost of \$201,194.

Property tax revenues are projected to account for 24% of total health department revenues in 2022, which is down from 31% in 2019 (pre-pandemic). The department has been strategically matching new grant revenues with relief response programs to preserve these revenues for ongoing programs.

In 2021, the health department was awarded funds associated with State and Fiscal Recovery Funds (SLFRF) to cover costs associated with the drive-through vaccination clinic that was open from early spring to late summer. An additional \$1,000,000 in SLFRF was dedicated to building parking and clinic capacity at the department's main campus in Clearfield. These efforts are recognized independently in Fund 80.

FUND 17 – CJC

In 2019, the Children's Justice Center budget was reallocated to a dedicated special revenue fund in order to more transparently report revenue sources. Of the \$395,629 in proposed 2022 operating expenditures, nearly 40% is funded by a transfer in from the general fund. This represent an increase of 2% over the 2021 budget. The balance is funded by state and federal grants with an additional \$12,800 in fund raising revenues received from the Friends of CJC. While 2020 numbers were down due to the pandemic, the staff (consisting of two full-time and two part-time employees) served 420 child victims and 1,527 adults.

FUND 18 - TOURISM

The tourism fund is supported by transient room, restaurant, and vehicle rental tax revenues, and recognizes activities related to enhancing local and regional tourism, oversight of the Davis Conference Center, and management of the Legacy Events Center.

While heavily impacted by the pandemic, with an 18% drop in revenue between 2019 and 2020, the 2022 budget projects revenues approaching pre-pandemic levels of \$8,436,869. Restaurant tax continues to be strong, and accounts for approximately 52% of fund revenues in 2022.

Early revenue projections for 2021 anticipate revenues exceeding budget by close to \$700,000. The department requested three new positions in 2022, two of which were funded for immediate hire in 2021 (Event Manager and Marketing Manager) and one that was placed on hold (Destination Sales Manager) pending later programming.

Even with the addition of these two positions, the fund is still able to transfer \$3,000,000 in reserves to the tourism capital fund to support the multiple construction initiatives occurring in 2022. Construction of an Agricultural Heritage Center in Kaysville and an expansion of the Legacy Events Center in Farmington will require significant long term financial commitments of tourism capital reserves.

FUND 19 – 911 EMERGENCY

Emergency 911, or dispatch, is funded by revenues from cellular fees as well as service contract with other law enforcement agencies. Even with an annual transfer of \$200,000 from the general fund, this area continues to struggle with expenditure growth that exceeds revenue growth. Approximately \$300,000 of fund balance was expended to support general operations in 2019 and 2020.

The 2022 budget contemplates a major technology initiative by consolidating services to a single provider utilized by all dispatching agencies within the County. Davis County will fund the initial cost of the consolidation with reimbursement assistance from participating entities as well as additional spend down of fund balance.

FUND 21 – B ROADS

After completing multiple projects totaling \$1,537,876 in 2019, B Roads projects are down by over \$1,000,000 in 2022 totaling just under \$500,000. It is anticipated that unspent B Roads funds from 2021 and 2022 will be programmed for the completion of a larger project in 2023 (similar to 2019). Overall expenditures are down from 2021 by 17%, even with the purchase of a crack sealer for \$64,000.

FUND 22 – PROP 1 TRANSPORTATION REVENUES

With tax revenues of close to \$13,500,000, taxes generated by this fund are in large part (81%) passed through to Davis County cities and Utah Transit Authority. The remaining portion of this tax, estimated at \$3,010,606 for 2022, is allocated for County projects with multiple projects funded since its inception in 2016. Anticipated programming for 2022 includes \$1,125,000 for improvements to the Bountiful Shoreline Trail, a loan of \$1,000,000 to Bountiful City for work on Eagle Ridge Drive, and \$400,000 contribution to a joint project with UDOT for the construction of a culvert under highway 89.

FUND 23 - LIBRARY

The Davis County library system is funded by its own tax levy, which accounts for over 98% of fund revenues. Revenue projections for 2022 are estimated to meet an average growth rate of 2.5%. These tax revenues support operations at seven branch locations, including community programs (e.g., summer reading programs), meeting room space, technology access, curb-side pickup, and downloadable content. Expenditure growth in 2022 is 5% and is almost exclusively related to wages.

In 2021, the library completed construction on the Clearfield Branch, opening in October 2021. This branch will have a small collection of technology and related equipment that can be checked out for use by patrons. In addition, the library is implementing a new integrated library system.

FUND 24 – PUBLIC WORKS

Flood control projects vary widely from year to year, based on need and capacity. 2020 was a fairly significant project year, with over \$2,717,764 in projects completed, and another \$1,386,825 planned in 2021. It is expected that, due to material and other supply chain delays, a large portion of the projects funded in 2021 will not be completed until 2022. As such, fewer projects are scheduled for 2022, totaling \$348,000.

Since 2018, flood control is funded by a dedicated tax levy (compared to a transfer from the general fund), allowing greater ability for long-term capital planning. Revenues for 2021 total \$5,727,081 which will support the projects referenced above, as well as annual debt service payments of \$1,781,826 which will conclude in 2029.

The County continues to review long term capital needs and emergency reserves in this fund, and anticipates the ability to decrease the levied rate once outstanding debt has been paid. In

FUND 25 – SPECIAL SERVICES AREA

The special service area fund is designed to appropriate and track expenditures related to municipal-type services that are provided to those that live in the unincorporated areas of the County. These services include public safety, fire protection, animal control, streets and roads maintenance, planning and engineering, and general administration. Revenues for these services are provided by a dedicated tax rate (currently set at .000761), sales tax revenues, and user fees.

As the cost of providing public safety and fire services to this area increases, and with anticipated property annexations to Davis County cities, this fund, and more specifically, the tax rate in this area, will need to be reviewed in upcoming budget years. The 2022 budget anticipates using a little over \$59,000 in fund balance to cover budgeted expenditures.

FUNDS 26 AND 27 – TAX PASS THROUGH

The County uses pass-through funds 26 and 27 to record monies levied by the County but disbursed to other government agencies. These include transportation taxes, corridor preservation funds, and tax increment to redevelopment and community development agencies. In Fund 26, the ending fund balance is attributed to reserves for future corridor preservation projects, and Fund 27 ending fund balance is expected to be zero as money is received and disbursed within the same budget year.

In 2021, the County expanded the use of Fund 27 to record Federal monies received through the American Rescue Plan that are dedicated for Emergency Rental Assistance. The County has contracted with the State of Utah for the county-wide administration of this program, and thus these funds are entirely committed to funding the state's efforts.

FUND 28 – 3rd QUARTER TRANSPORTATION TAX

In January of 2019, the Davis County Board of Commissioners voted to increase the fuel tax by one quarter of one percent to fund additional regional transportation projects across the County. These funds became known as the “3rd Quarter” transportation tax and are anticipated to generate approximately \$15,239,973 in dedicated transportation funding in 2022.

To date, approximately over \$35,000,000 in projects have been awarded with these funds. It is expected that multiple projects at various stages of completion will be reimbursed in 2022. With the increasing need to manage the project funding that spans multiple budget years, Davis County will hire a transportation planner in 2022 to assist with the long-term programming of these funds.

FUND 29 – CDBG/SSBG

Fund 29 was established in 2019 to recognize the activities of the Davis County Community Development and Social Services Block Grant programs. CDBG funds are awarded to the County each May, and a competitive application process is conducted to distribute the funds to eligible sub-recipients within Davis County. This fund is meant to be self-sustaining, where all administrative costs and distributions are reimbursed by state or federal funds, therefore any carrying fund balance should be minimal and tied to fiscal year programming that crosses the County’s statutory calendar year closing. This fund is projected to oversee \$998,822 in grant activity in 2022. A five-year consolidated plan for the CDBG program years 2021-2025 is available on the County website.

FUNDS 45, 46, 47, AND 48 – CAPITAL PROJECTS

Beginning in 2016, the County created dedicated capital reserve funds to manage and plan for future capital improvement needs. Use of these funds is specifically tied to the purpose for which they have been committed, as further described below and the attached Capital Plan (Appendix A):

- **Fund 45 – General Government:** Revenues consisting of transfers and interest totaling \$250,000 and expenditures of:
 - \$1,000,000 - Repair administration building façade
 - \$4,712,533 – Transfers
 - \$1,560,000 to Fund 10 for paramedic operations
 - \$2,642,533 to Fund 10 for 2021 wage increases
 - \$510,000 to Fund 63 for Jail Renovation
- **Fund 46 – Health:** Revenues consisting of transfers and interest totaling \$230,000 and expenditures of \$102,000 for minor maintenance and repairs.
- **Fund 47 – Tourism:** Revenues of \$3,070,000 (transfers in and interest earnings), and capital expenditures of \$7,500,000 for the following projects:
 - \$2,500,000 – Reserved for potential debt service payments on Legacy Events Center expansion project.
 - \$5,000,000 – Construction of Agricultural Heritage Center

- **Fund 48 – Library:** Revenues of \$570,000 (transfers in and interest earnings), expenditures of \$557,000 for the following projects:
 - \$500,000 - Repair Farmington Headquarters building façade
 - \$15,000 – Remodel of Headquarters building administration hallway
 - \$20,000 – Monument stones and signage related to renaming of all branches
 - \$22,000 – Parking lot and sidewalk repairs

FUND 51 - GOLF

Budgeted golf revenues for 2021 are expected to increase by 7%, from \$3,199,650 to \$3,419,650. A new organizational structure was implemented in 2021, with a newly created Director of Golf position overseeing both courses.

Budgeted expense increase in 2022 Golf Course expenditures are increasing by 41% in 2022, with the majority of the increase related to \$1,400,000 in capital course improvements at Davis Park Golf Course. These improvements will be funded by approximately \$1,400,000 in revenues from the sale of golf course land in 2021, and are required in order to restructure the course.

FUND 52 – COMMISSARY

Commissary revenues declined in 2020 and 2021 due to fewer inmate holds and decreased program participation. Pre-pandemic revenues from 2019 were \$1,022,125 while 2022 revenues are projected to be \$735,800. A similar decrease in the cost of providing services has eliminated the need for this fund to utilize fund balance reserves to maintain operations.

While the commissary operates as a proprietary fund, net gains are used to offset inmate programs and care. In 2020, \$2,000,000 in fund balance was transferred to the Capital fund in order to contribute to the construction of the jail medical wing.

FUNDS 61, 62, 63 – INTERNAL SERVICES

The County continues to generate efficiencies by centralizing key services, including Insurance, Telephone, Security, Email, and Building Maintenance. Fund 61 premium expenditures have increased due to a planned premium increase that allows the County to transition to a lower deductible plan. This cost is spread across County departments and funds in accordance with the allocation policy.

A proposed change in Fund 62 (Telecommunications) is related to a change in revenue recognition, requiring departments to contribute approximately \$100,000 in additional allocation to support the services they receive.

Facilities is proposing a decrease in annual allocations in 2022 in order to redistribute approximately \$530,000 in fund balance back to departments.

Last, the 2022 Buildings and Grounds West budget accounts for maintenance and projects at the court complex. A transfer of \$510,000 in capital reserves is proposed in 2022 to fund a remodel of the old jail visiting center for new programs (remote court and ankle monitoring).

FUND 80 – STATE AND LOCAL FISCAL RECOVERY FUNDS (SLFRF)

At the time of this writing, Davis County is in the beginning stages of programming approximately \$69,000,000 in State and Local Fiscal Recovery funds awarded through the American Recovery Plan. As required, a preliminary plan was presented on August 31, 2021 and is available on the Davis County website for review.

A consulting firm has been hired to assist the County with an application, analysis, and public outreach process. It is expected that the majority of funds received will be distributed to external entities for eligible projects. The tentative budget reflects utilizing a portion of these funds formally classified as 2020 revenue recovery, approximately \$1,759,000, to fund wage increased from 2021 in budget year 2022.

CONCLUSION AND ACKNOWLEDGEMENTS

Special thanks to the Budget Committee for their input, direction, and on-going dedication during this year's budget process. Likewise, the participation of the Elected and Administrative Officers of the County, including communicating departmental visions and long-term needs, is appreciated and recognized as a critical part of the budget process. Most importantly, this document represents the efforts of all County employees in providing feedback and delivering services that are consistent with the strategic goals of Davis County.
